FREE SUMMER STEM

PROGRAM FOR HIGH SCHOOL STUDENTS!

JULY 18 – AUGUST 18, 2022

- Monday – Thursday
- 9:00 am – 4:30 pm
- Roxbury Community College, Building 3

Are you interested in preparing to study STEM in college?

Do you want to increase your knowledge of general STEM principles before deciding on your future major or career?

You should attend a FREE, month-long program at Roxbury Community College to make the most of your summer recess.

Ready to learn? Fill out the registration form:

https://bit.ly/rccssa2022

Limited seats, registration will be on first come-first serve basis.

Breakfast and lunch is provided every day, free of charge.

RCC's program includes

- Biology
- Chemistry
- Smart Energy/Physics
- Math
- Robotics/Drones
- Maker Space/3-D Printing/VR
- Field trips are held every Thursday

There are no pre-requisites for this program! All high school students entering **grades 9, 10, 11** and **12** are eligible to participate, as well as **graduating seniors**.
